

## ALL YOU NEED TO KNOW ABOUT NAIROBI RESTAURANT WEEK IN PARTNERSHIP WITH MAGNUM

### It's back!

For the second year, Nairobi will host the global phenomenon known as Restaurant Week. Foodies in Nairobi will be able to experience a special menu at some of the city's top restaurants at the [NAIROBI RESTAURANT WEEK IN PARTNERSHIP WITH MAGNUM](#)

NRW2015 is about applauding the finest food the city has to offer. The top chefs are putting their culinary skills to the test so that restaurant-goers can experience a one-off limited edition celebratory menu. It celebrates the ingenuity and innovation of our favorite local restaurants.

Cities such as New York, London, Amsterdam, Cape Town and many more around the world hold it annually to great acclaim. For us NRW is simply a fun way to toast to the New Year.

### What does it cost?

NRW Menus will cost Ksh1,500 or Ksh2,000 depending on the establishment and will include a complimentary cocktail from our title sponsor Magnum Cream Liqueur (where available).

Some establishments will be offering a 2 course selection from the same menu at lunch time for a reduced priced of Ksh Ksh1,000 or Ksh1,500, again depending on the establishment. This will however not include a complimentary cocktail.
